Nunc Pro Tunc to the Petition Date (the “Application”).² The facts set forth in this Declaration are personally known to me and, if called as a witness, I could and would testify thereto.

**JONES DAY’S QUALIFICATIONS
AND ENGAGEMENT BY THE DEBTORS**

3. Jones Day was initially engaged by the Debtors in 2004 to represent the Debtors in connection with intellectual property prosecution and litigation, including Hatch-Waxman patent litigation and related matters. Additionally, over the years Jones Day has provided the Debtors with general intellectual property related counseling and opinion work. Over the course of the engagement, Jones Day attorneys have worked closely with the Debtors’ management and in-house counsel and, as a result, have acquired extensive knowledge of the Debtors’ history, intellectual property portfolio, litigation needs and related matters.

4. Jones Day is one of the largest law firms in the world, with a national and international practice, and has substantial experience in intellectual property and patent litigation. Its intellectual property group consists of more than 220 professionals, including more than 200 attorneys, each playing a significant role in a wide array of offensive and defensive litigation facing clients in various industries. Jones Day regularly plays a leading role in significant patent litigation matters, including those involving pharmaceutical companies.

5. Accordingly, Jones Day is well qualified to serve as the Debtors’ special counsel in connection with intellectual property related litigation and counseling matters in these chapter 11 cases.

SERVICES TO BE PROVIDED BY JONES DAY

6. As of the Petition Date, Jones Day represented the Debtors in several active patent litigation matters, including:

² Capitalized terms not otherwise defined herein shall have the meanings given to them in the Application.

- (a) *Purdue Pharma, L.P. v. Collegium Pharmaceutical, Inc.*, No. 15-13099 (FDS) (D. Mass.);
- (b) *Purdue Pharma L.P. et al. v. Intellipharmaeautics Corp.*, No. 18-00404 (RGA) (D. Del); and
- (c) *Purdue Pharma L.P. et al. v. Intellipharmaeautics Corp.*, No. 17-00392 (RGA) (D. Del).
- (d) *Collegium Pharmaceutical, Inc. v. Purdue Pharma L.P. et al.*, PGR2018-00048 (P.T.A.B.).

7. Jones Day also intends to file a petition for writ of certiorari seeking review of *Purdue Pharma L.P. v. Iancu*, 767 F. App'x 918 (Fed. Cir. 2019). In addition to the aforementioned litigation, Jones Day provides the Debtors with general intellectual property related counseling and opinion work.

8. All of the Debtors' active patent litigation matters are currently stayed in light of the Debtors' ongoing bankruptcy proceedings. On September 20, 2019, Judge Saylor issued a stay of District of Massachusetts case No. 15-13099. Judge Saylor gave the parties permission to advise the court of developments and to seek leave to lift or modify the stay pending further developments in the bankruptcy.

9. On October 2, 2019, the P.T.A.B. issued a stay of PGR2018-00048 and extended the time to administer the proceeding by six months.

10. On October 3, 2019, Judge Andrews issued a stay of District of Delaware litigations Nos. 18-00404 and 17-00392. The court instructed the parties to provide a status report update no later than December 15, 2019. Subsequent to receiving the status report, Judge Andrews will determine whether the stay should continue, or if these cases should proceed to trial.

11. The terms and conditions of Jones Day's retention and its compensation as part of the Debtors' chapter 11 cases are set forth in the Engagement Letter. The Debtors propose that,

subject to the Court's approval, Jones Day will continue to provide legal services to the Debtors with respect to the matters described above and in the Engagement Letter. Should the scope of Jones Day's services expand beyond the scope discussed herein and in the Engagement Letter, Jones Day will file a supplemental retention application with the Court.

12. Due to Jones Day's experience and knowledge in the areas for which legal services will be provided, as well as the firm's long-standing relationship with the Debtors in connection therewith, the Debtors respectfully submit that Jones Day is uniquely qualified to represent the Debtors in connection with their intellectual property needs during the course of these chapter 11 cases.

COMPENSATION AND FEE APPLICATIONS

13. Pursuant to the terms of the Engagement Letter, and subject to this Court's approval of the Application, Jones Day intends to: (a) charge for its legal services on an hourly basis in accordance with the ordinary and customary hourly rates in effect on the date services are rendered and (b) seek reimbursement of actual and necessary out-of-pocket expenses.³

14. Prior to the Petition Date, the Debtors and Jones Day agreed to a discounted fee arrangement. Jones Day's standard hourly rates are based on the professionals' level of experience and are subject to review and adjustment – typically on an annual basis. As part of the discounted fee arrangement, Jones Day agreed to charge the Debtors previous year's billable rates (*i.e.*, for 2019, Jones Day used 2018 billable rates in calculating amounts due for legal services performed). The total invoices were also subject to a ten percent (10%) discount. Additionally, Jones Day and the Debtors agreed to an arrangement that allowed the Debtors to

³ The hourly rates charged by Jones Day professionals differ based on, among other things, the professional's level of experience and the rates normally charged in the specific office in which the professional is resident. Jones Day does not adjust billing rates of its professionals based on the geographic location of a bankruptcy case or other matter.

take an additional four percent (4%) discount on fees only, if paid in full within ten (10) days of the date of the invoice, and three percent (3%) discount on fees only, if paid in full within fifteen (15) days of the date of the invoice. Jones Day and the Debtors agreed to maintain this discounted fee arrangement following the Petition Date.

15. The names, positions, resident offices and current hourly rates of those Jones Day lawyers currently expected to continue providing services to the Debtors are attached as Schedule 1 to the Normile Declaration. Jones Day's hourly fees are comparable to those charged by attorneys of similar experience and expertise for engagements of the scope and complexity similar to the patent litigation and intellectual property matters handled by Jones Day. Further, these Jones Day professionals are subject to the same client-driven market forces, scrutiny and accountability as its professionals in non-bankruptcy engagements. For all of these reasons, Jones Day's rates are reasonable.

16. As referenced above, Jones Day's hourly billing rates are subject to periodic review and adjustments. Jones Day's practice of periodically adjusting its billing rates was disclosed to the Debtors in the Engagement Letter, and the Debtors have agreed to pay these modified rates pursuant to the Engagement Letter. According to section B(2)(d) of the U.S. Trustee Guidelines, Jones Day will provide justification of the reasonableness of any rate increase in the applicable fee application.⁴

17. Jones Day will maintain detailed, contemporaneous time records in six minute intervals and apply to this Court for payment of compensation and reimbursement of expenses in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the

⁴ Like many of its peer law firms, Jones Day increases the hourly billing rate of attorneys and para-professionals periodically in the form of step increases in the ordinary course on the basis of advancing seniority and promotion. The step increases do not constitute "rate increases" (as the term is used in the U.S. Trustee Guidelines). Accordingly, Jones Day does not intend to provide a separate justification for such step increases.

Local Rules, any additional procedures that may be established by this Court in these chapter 11 cases and the U.S. Trustee Guidelines. In addition, Jones Day understands that interim and final fee awards are subject to approval by this Court.

If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Response: Since its representation of the Debtors began, Jones Day has not changed its billing rates or material financial terms for the engagement, other than (a) regular, annual Firm-wide adjustments to its standard rates and (ii) Jones Day's agreement to set rates as described above.
